

MAZE - Help the lamb find his way out

WORDSEARCH
Find the words highlighted below in bold

Spring is the **season** after winter and before summer. Spring months are the **blossoming** months when the **weather** starts to **warm up** and new **life** **begins** to **emerge** in nature. **Leaves** begin to **bud** on the trees and **babies** are born to **animals** in the natural world. Think of **new lambs** frolicking in the **fields** and baby **birds** calling for their mothers.
